Ani Squibbs | Prince Ben Odigie | Dr. Von

A
BUSINESS & FINANCIAL
BREAKTHROUGH
INTENSIVE

THIS IS A 7-DAY EXECUTION ENVIRONMENT
DESIGNED TO MOVE YOU INTO:

- creating real income streams
- launching profitable executable businesses
- scaling existing ventures to **\$10k+/m**
- building long-term financial independence
- a structured income pathway capable of generating **\$500-\$7,000+** per month with increasing automation.

Using the most powerful tools available today – including AI, social media leverage, and modern digital business systems.

WHAT THIS IS

THIS IS A PRACTICAL BUSINESS AND
INCOME CREATION CLINIC.

You will:

- Identify a viable income path
- Build a monetizable offer
- Begin real execution

This clinic combines business fundamentals, modern tools, and practical execution systems – designed for today's economy.

- ◆ **Everything is designed for immediate application**

WHO THIS IS FOR

This is not for passive learners.
If you are not ready to act, this is not for you.

FOR THOSE WHO:

- want to make more money but don't have a clear path
- are ready to build income beyond a salary
- have ideas but haven't turned them into income

- are already running a business but not seeing consistent results
- want to scale but lack better systems, structure, and execution
- are done overthinking and ready to execute

Many people stay in this position for years.

This is where that changes.

REQUIREMENT

This is a practical execution environment,
designed for simplicity, structure,
and action.

You do not need:

- technical skills
- business experience
- prior knowledge of AI or digital tools

You are required to:

- be present and focused
- follow the process exactly
- take consistent action
- apply what is taught in real time

Whether you are starting from zero or already building –
the focus is *execution*, not *complexity*.

OVER 7 DAYS, YOU WILL LEARN:

◆ REAL BUSINESS OPPORTUNITIES

50+ proven income pathways across digital, service, and scalable models

◆ AI-POWERED EXECUTION

Use AI to accelerate idea validation, marketing, content creation, and execution

◆ DIGITAL AUTHORITY & SOCIAL MEDIA

Turn social media into a consistent customer acquisition engine

◆ INCOME CREATION

Build offers, price correctly, and secure first paying clients

◆ SCALING SYSTEMS

Use automation and systems to grow without unnecessary complexities

START YOUR 7-DAY
BREAKTHROUGH

◆ FROM IDEA TO INCOME

- validate ideas quickly
- build a simple business model
- create a monetizable offer
- generate your first income

Includes your 30-Day First Income Plan

◆ FOR EXISTING BUSINESSES

If you already have a business -
how to scale using:

- marketing systems
- automation
- AI leverage
- sales structures

Move from inconsistency → structured growth

◆ \$10K+/MONTH PATHWAY

You will be introduced to the framework
used to move toward:

- **\$10,000+ per month**

Through:

- high-value opportunities
- scalable offers
- customer acquisition systems
- reinvestment for growth

AN ADDITIONAL \$500–\$7,000+/MONTH INCOME PATHWAY

Inside this clinic, you are not just building a business. You are being positioned inside a structured income environment

This is a defined pathway where:

- you apply what you are building in the clinic
- you begin generating income
- and you improve through execution

This environment is built to:

- help you begin generating income in the range of **\$500 to \$7,000+ per month** – becoming increasingly automated as it grows
- support capital building
- develop real-world skills in communication, acquisition, and leadership

It can be worked as:

- a side income stream
- or developed into a more focused business pathway

AT THE CORE OF
THIS ENVIRONMENT IS
THE REINVENTION FREEDOM
METHOD™

A structured 90-day accelerator focused on:

- developing communication skills
- building acquisition competence
- strengthening leadership capacity
- building a stronger operating identity through action

Built on:

- structured personal development
- disciplined execution
- practical income application

This combines structure, execution, and real application – so progress is not temporary, but compounding.

THE BUSINESS FREEDOM INNER CIRCLE™

Business Growth & Expansion

For those who choose to build further, there are opportunities to step into more advanced business environments within The Self Reinvention Hub's **Business Freedom Inner Circle™**, focused on scale and long-term growth.

Inside this environment, participants gain access to:

- strategic joint ventures and business opportunities across multiple sectors
- partnerships and franchise pathways with investors, manufacturers, and distributors ready to support scale
- a complete marketing infrastructure – including funnels, ads, content systems, and automation tools

- operational blueprints and launch playbooks to streamline every stage of business growth
- collaborative mentorship and guidance from the Hub's network of coaches, entrepreneurs, and investors

The Business Freedom Inner Circle™ is where what you start building begins to scale properly – through partnerships, systems, and structured support

WHAT YOU WALK AWAY WITH

BY THE END OF THE 7 DAYS, YOU WILL HAVE:

- a **clear, viable business pathway** aligned to real income opportunities
- a **validated idea** with proven demand you can move forward with
- a **monetizable offer** ready to take to market
- a **customer acquisition approach** you can execute consistently
- a **30-Day First Income Plan** to generate your initial results

AND FOR THOSE ALREADY BUILDING:

- a **scalable structure** to move toward **\$10K+/month**
- improved **offer positioning, pricing, and client flow**
- systems to move from inconsistency → predictable growth

YOU WILL BE POSITIONED TO STEP INTO A
STRUCTURED INCOME PATHWAY YOU CAN BEGIN
WORKING WITH IMMEDIATELY THAT GIVES YOU:

- a practical way to start generating income in the range of **\$500-\$7,000+ per month**
 - a direct way to apply what you are building during the clinic
 - a system that becomes easier to operate as your execution improves
-
- ◆ Everything is built during the clinic
 - ◆ Nothing is left theoretical
 - ◆ You leave with something you can use immediately

SECURE YOUR PLACE

WHAT MAKES THIS DIFFERENT

This clinic is built with frameworks to support your consistency in execution.

Because building income is not just about strategy – it is how you think, act, and execute daily

So, in addition to business strategy, the clinic incorporates short **daily performance alignment sessions** designed to strengthen:

- confidence
- decision-making
- execution

These sessions are focused on helping you:

- overcome hesitation and self-doubt
- develop consistency and discipline
- build confidence in taking action
- align your thinking with business growth and income creation

THE SYSTEM THIS SITS WITHIN

This clinic is complete in itself.

It is designed to give you:

- a clear direction
- a working business model
- and real income momentum

For many, this is enough to move forward and build.

It also sits within:

THE SELF REINVENTION HUB™

A structured environment where:

- support continues
- execution is sustained
- and growth can be expanded over time

For those who want to keep building, this is where the work continues – with structure.

PROGRAM FORMAT

This is an intensive hybrid experience.

Includes:

- live daily sessions
- implementation workshops
- guided exercises
- worksheets and templates
- access to a private community

Participants will be able to ask questions, receive feedback, and implement what they learn in real time.

LIMITED PARTICIPATION

This clinic is intentionally limited to maintain quality, interaction, and real implementation..

THE OPPORTUNITY

The world has changed.

The barriers to starting businesses and creating real, sustainable wealth are lower than ever.

Today, there are more tools, platforms, and access points than at any time before.

- ◆ AI has reduced barriers.
- ◆ Social platforms have removed gatekeepers.
- ◆ Opportunities are no longer limited by access.

But success still belongs to those who understand how to identify opportunities, build offers, and attract customers.

This is not just a business clinic.

It is a complete experience designed to move you into:

- real income
- real direction
- a working business structure
- real execution that produces results

What makes it even more powerful is not just what you learn – but what it gives you access to:

- access to an additional income pathway (\$500-\$7,000+/month)
- a framework to build toward \$10K+/month
- a system that supports continuation beyond the initial build

This is where:

- ideas become income
- income becomes structured
- and structure becomes scale

This is the only place where your identity, income, and future are rebuilt together – within one structured system.

THE DECISION

You can stay where you are –overthinking, delaying, watching others move.

Or you can step into a structure designed for :

- building new income streams
- launching a real business
- scaling your current venture
- using AI and modern tools to your advantage
